On just as sure a foundation has Dr. Pierce's "Golden Medical Discovery" been placed, and it will stand through the cycles of time as a monument to the physical emancipation of thousands, who by its use have been relieved from consumption, consumptive night sweats, bronchitis, coughs, spitting of blood, weak lungs and other throat and lung affections.

## COMMISSIONER'S SALE.

By virtue of a decree of the Circuit Court for the county of Fairfax, made at its November term, 1885, in the case of Pritchard's administrator against Burdett Skinner, the undersigned, commissioner, will sell at public sale, at the front door of Fairfax Court House, on MONDAY, the 17th day of October, 1887 (Court day), the following described property:

THE TRACT OF LAND upon which Burdett Skinner resided on the 15th day of November, 1883, at which time it was purchased by George E. Skinner, and contains SIXTY ACRES, with the DWELLING HOUSE of five rooms and other improvements.

The above tract of land lies a short distance below Fairfax station. There is a depot on the Virginia Midland Railroad about 400 yards from the dwelling, which renders it easily accessible to the cities of Washington and Alexandria.

Terms of Sale: Cash, but the terms may be changed to suit the convenience of the purchaser. Sale to take place between 11 and 12 o'clock.

THOS. MOORE, do.  
THOS. R. LOVE, do.

## JUDICIAL SALE OF THE FARM CALLED "GOLAN."

The residence of the late Wm. Gray Somerville, near Mitchell's station, Culpeper co., Va. By virtue of a decree of the Circuit Court of Culpeper county, made at its November term, September, 1887, in the chancery suit of "Somerville, substituted trustee, vs. Somerville and others," I, as commissioner of said court, appointed for the purpose by said decree, shall, on the

22d DAY OF OCTOBER, 1887,

at 12 o'clock m., proceed to sell at public auction to the highest bidder, on the premises, either in the whole or in parcels, that well-known and valuable tract of land called

GOLAN,

formerly the residence of the late James Somerville, of Culpeper county, containing about 630 ACRES.

This is a desirable tract of land, well-wooded and watered, with a very GOOD DWELLING HOUSE thereon, and other outbuildings and ordinary fencing. The land is in quite good condition, and with good cultivation is usually quite productive.

The neighborhood is desirable, being near Mitchell's and Rapid Ann stations, on the Virginia Midland Railway, and the society is excellent; very near and convenient to the city of Washington.

Terms: Money enough to cover the costs of suit and expenses of sale must be paid down in cash. For the residue bonds of the purchaser, with good security, will be required, bearing interest from the date thereof, payable in equal instalments of one, two and three years each. The legal title will be retained until all the purchase money shall be paid and payment thereof reported to the court.

This farm will be divided by a competent surveyor into three (3) parcels of about 200 acres each to suit purchasers, and so as to secure a sufficiency of wood and water to each.

The purchasers of the whole or one or more parcels may pay down in cash the whole or at least one-third (1/3) of the purchase money, in which case personal security on his bonds will be dispensed with.

The commissioner will demand the cash payment and the execution of the bonds for the deferred payments, immediately after the sale, and on failure of the purchaser to comply promptly, will put up the land again and resell to some other person, who will comply with the terms in all respects.

Possession will be given on the 1st day of January, 1888, or, if desired for seeding this fall, an arrangement will be made with Mr. Marsh, the present tenant, for free ingress and egress for such purpose.

JOHN W. BELL, Comm'r. Circuit Court of Culpeper. N. B.—The title to the land is beyond doubt, never having been in litigation, and perfectly clear of all liens.

The plat and diagram of the whole farm, as well as subdivisions thereof, can be seen at my office at Culpeper and at Mr. Marsh's house, and at Mitchell's and Winston's stations.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value.

Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment.

For full information in regard to this Mine apply to the
